\***Basic Program** does not include any extras: no language training, no cultural activities, no excursions. It does cover everything else on your volunteer program (food, accommodation, airport transport, insurance, training, support).

Program fees include:

- Food and lodging in your host country (most often a host family)
- Preparation and training before departure
- In-country transportation (including to and from the airport)
- Emergency medical insurance
- On-going support and supervision in-country
- Language lessons, cultural activities and excursions (varies by country, call for details)

Please note that United Planet is a 501(c)3 nonprofit organization in the United States. All fees associated with your Volunteer Abroad Quest are tax-deductible for U.S. citizens; this includes the Program Fee, and may include your airfare as well.
